2022 STUDENT SCHOLARSHIP INFORMATION

The San Diego Chapter of the Association of Environmental Professionals (AEP) supports students who are actively engaged in the pursuit of a career in a field with an environmental emphasis. As part of AEP's support efforts, the San Diego Chapter offers scholarships to undergraduate and graduate students.

The monetary award will be up to \$2,000 per scholarship recipient. Each scholarship recipient will also receive a complimentary admittance to one AEP-sponsored luncheon. These luncheons are a great opportunity to network with other students and local professionals in the environmental field, as well as learn about relevant and controversial topics associated with the San Diego region.

Scholarships are awarded at the San Diego Chapter Annual Awards and Scholarship Benefit held in Fall 2022. The scholarship recipients are expected to attend this event to receive their award, whether it is held virtually or in person.

HOW CAN THE MONEY BE USED?

The award can be used for educational pursuits including tuition, books, research, etc. Recipient(s) will receive a check in his/her name from the San Diego Chapter of AEP.

WHO CAN APPLY?

The San Diego Chapter of AEP will accept applications from undergraduate or graduate students attending any university or community college in San Diego or Imperial County who are actively engaged in the pursuit of a career with an environmental emphasis. Applicants must also have a minimum 3.0 GPA.

APPLICATIONS AND QUESTIONS

Students are required to complete the application form attached to this notice. In addition, current college transcripts, an essay, and a letter of recommendation are required.

Completed applications will be accepted electronically via email or document sharing platform (e.g., Dropbox, OneDrive, Google Drive, etc.) to the scholarship committee at sdaepstudentoutreach@gmail.com.

To be eligible, complete applications must be postmarked by
5:00 p.m.

September 9, 2022.
