Congratulations on furthering your professional presence and education by considering membership with the San Diego Chapter of the Association of Environmental Professionals (SDAEP)! SDAEP is currently offering *FREE* student membership through the end of 2021.

Student membership includes individual membership services in addition to eligibility for the annual AEP Student Awards Program/Scholarships. Student members must be currently enrolled in 12 units or more at an accredited school. Benefits of student membership usually include reduced rate or free admission to local chapter and state organized luncheons, workshops, trainings, conferences, and events. In addition, AEP is an excellent resource for internship opportunities and networking with environmental professionals while seeking employment opportunities.

How to Sign-Up for Membership

 Access the Membership page: https://www.califaep.org/membership.php

 Scroll down to the bottom of the page to student membership. Click the red 'Join Now' Button

You will be redirected to the New Member Registration page. Click the grey button to 'Register as a New Member'.

You will see different membership plans available, select Student then click grey 'Continue' button.

It will now ask you to fill out the information from the application form, complete all input areas marked with an asterisk (*), as this information is required. Below are example inputs. Once all required areas are filled out please click the grey 'Continue' button.
